2. Social Security Offset

A. Draft Legislation, "Unemployment Compensation Amendments" (Mascaró)

Rep. Mascaró noted that the Social Security Offset was discussed in the September committee meeting where a motion was taken and approved on this issue. He stated since that meeting, the Department of Workforce Services' Employment Advisory Council met on October 15, 2009, and unanimously endorsed an alternative proposal. He distributed and reviewed the new proposal, "Unemployment Compensation Amendments." He noted the proposed legislation modifies provisions in the Employment Security Act regarding the computation of individual weekly benefits for those whose benefit year begins after July 3, 2010, and removes the offset of Social Security benefits against the weekly benefit amount of unemployment compensation an individual is eligible to receive under the Act.

Mr. Bill Starks, Director, Division of Unemployment Insurance, distributed a handout "Department of Workforce Services - Unemployment Compensation Social Security Offset." The handout reviewed Utah's history regarding the Social Security Offset, presented facts regarding Social Security Offset on the national level, and included recommendations from the Employment Advisory Council that endorsed the proposal.

Ms. Karen Silver, Salt Lake Community Action Program, said she appreciated the compromise to resolve this issue.

MOTION: Sen. Okerlund moved to approve 2010 General Session draft legislation, "Unemployment Compensation Amendments" with a favorable recommendation. The motion passed unanimously with Rep. Black and Rep. Ray absent for the vote.

B. Draft Legislation, "Unemployment Insurance - Social Security Offset Modifications"

Eccles, Executive Director, Governor's Office of Economic Development (GOED), and Mr. Derek Miller, Managing Director, GOED, distributed a report, "Governor's Office of Economic Development Annual Report 2009." Mr. Eccles reviewed GOED's areas of focus in an effort to help create a positive business climate for innovation and entrepreneurship in Utah.

Chair Madsen and committee members congratulated Mr. Eccles on his new position. The Committee suggested items for GOED to address when reviewing the annual report at a future committee meeting.

Mr. Miller commented on the Tax Credit Incentives for the film industry that the Committee and the Legislature passed in the 2009 General Session. He noted that the two films coming to the State will generate 33 million dollars of revenues because of the tax credit incentive.

Chair Madsen turned the chair over to Rep. Mascaro.

4. Department of Workforce Services

A. Department Restructuring

Ms. Kristen Cox, Executive Director, Department of Workforce Services (DWS), commented on department restructuring, key efficiency initiatives, and the demand driven initiative.
